Greetings Nottoway County Public Schools Stakeholders,

On April 13, 2017 a board vote approved the closing of Burkeville Elementary School, because the building has become unsustainable for present use. Students and staff will be combined with Crewe Primary School and Blackstone Primary School for the 2017-18 school year and beyond. Future plans include re-purposing the building.

We realize that you may have questions about the decision to close Burkeville Elementary School next year, and we want to discuss your concerns. Therefore, you are invited to attend a meeting on Tuesday, April 25, at 6:00 p.m. at Burkeville Elementary School. School leaders from the three schools affected will be available to speak with you. As always, please feel free to contact me at (434) 645-9596 or at berry.rodney@nottowayschools.org if you have any questions.

Educationally yours,

Rodney L. Berry, Ph.D.
Division Superintendent
