## BOOK BY BOOK EDUCATIONAL ASSISTANCE GRANT

The Book by Book Educational Assistance Award is presented by the Cross Bearers Motorcycle Ministry to assist a student in being successful in an educational pursuit beyond High School Graduation. Most going on to post High School Educational opportunities will receive assistance in the form of scholarships and grants for tuition and registration fees. This gets them into college but it is the use of books that make them successful in their college goals. With this in mind, the Ministry makes a commitment to assist a student one book at a time and thus make this award to purchase a student's first book. This award is in the amount of \$250.00. RETURN APPLICATIONS TO THE ADDRESS ABOVE NOT LATER THAN APRIL 10, 2020.

\*\*\* ALL graduating students accepted into post high school educational training, vocational training, junior college and four year institutions are eligible for this award. Continuation sheets are encouraged when completing the response.
